The Secretary,  
Public Works Department,  
MELBOURNE.

Dear Sir,

With reference to the classification in the Society's Register Book of your Hopper Dredger "MATTHEW FLINDERS" I beg to remind you that on the 18th of April last a letter was forwarded from our Head Office London, requesting you to let us know what arrangements you proposed making with regard to carrying out the prescribed Special Survey No.1 which fell due in January last. No reply has been received to this letter, and I am now in receipt of a further communication from our Head Office requesting to be informed how the case stands.

I have therefore to request that you will kindly let me know without delay, what you propose doing with regard to carrying out the requirements of this Special Survey, in order that the vessel's character may be retained in the Register Book.

Yours faithfully,

(Sgd.) A. McCOWAN
