12th September, 1921.

Dear Sirs,

With reference to my letter of the 8th March last respecting the hopper dredger "MATTHEW FLINDERS", to which I do not appear to have received a reply, I shall be glad to learn by return mail how this case stands as regards the Special Survey No. 1.

I take the opportunity to point out that the screwshafts have not be drawn for the inspection of the Society's Surveyors since the vessel was built.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

MELBOURNE.
