-----  
The Second Special Survey No.1 of this  
trawler became due in October, 1923. She has recently been  
sold and the new Owners have informed the Grimsby Surveyors  
that they are not in a financial position to carry out the  
Special Survey which is overdue, and they request that the  
vessel be withdrawn from the Society's Classification.

In the circumstances the Classing Committee,  
who had the case before them on Tuesday, 11th instant, decided  
to give instructions for the vessel's character to be withdrawn  
from the Society's Register Book and three dots (...) inserted  
in lieu thereof, indicating withdrawal of class at Owners'  
request.
