ANS'D

Reference

Sir

In reply to the enquiry in your letter of the 26th inst, respecting the new S.S. Marion, built by The Goole S. B. Co.

I beg to state that the blow off cocks are fitted with a spigot and brass cover plate, and the dates of examination of fitting of sea connections, stern tube, screw shaft and propeller, are June 4th, 9th, 16th and 22nd.

I am Sir

Your Obedient Servant
James Barclay

The Secretary
London E.C.
