

A report has now been received from the U.S. Navy

006248-006257-0084 ho

SS. Marie Repple.

is submitted the Hull Surveyors be requested
ascertain the diameter of the Low pressure
cylinder of this vessel as this appears to
have been incorrectly stated on the 1st Entry
Report as $47\frac{1}{8}$ " instead of probably 69".
