

s/s Marie Reppel  
Hull Rph No. 32197

of HULL,

11th October 1920.

F.C. Smith, & R. Wright,

e

The managing owners, Messrs. The Lyle Shipping Co., Glasgow, on behalf of the Ministry of Shipping survey the S.S. "MARIE REPPEL" 3680 tons (gross) on the 19th July 1920 and subsequent dates. This vessel was examined in dry dock and afloat in the King George Dock, Hull, for the purpose of ascertaining her condition.

The holds, tween decks, peaks, engine and boiler spaces and bunkers examined. All double bottom tanks and peaks have been examined internally and floors, intercostals etc., found satisfactory.

All tanks and peaks have been tested and made satisfactory (limber boards lifted and replaced).

Decks, engine and boiler casings, hatchways, hatch beams and hatches, masts and rigging, ventilators, 5 anchors and general equipment examined also windlass, steering gear and its connections.

Ceiling fitted on tank tops also spar ceiling fitted throughout the vessel.

Judging from our inspection of the parts of the vessel which  
have now been examined, we are of opinion that the vessel appears  
to be in good condition and eligible to be classed 100•A•1•  
without the distinctive mark indicating she had been built under  
the Superintendence of the Surveyors to this Society. X
