# Lloyd's Register of Shipping,

High Close, Wokingham, Berks.

13th November, 1943.

9.

Dear Sir,

With reference to the Glasgow Reports noted below, I think it well to inform you that the Committee have now had before them reports from the Aberdeen Surveyors to the effect that the boilers in question have been fitted in the vessels indicated below:-

<u>Report No.</u>	<u>Boiler No.</u>	<u>Name of Ship.</u>
67418	Messrs. Craig's Boiler No. 819	"ST. AGNES"
67469	Messrs. Denny's Boiler No. 4099(1)	"EMPIRE PIERROT"
67470	Messrs. Denny's Boiler No. 4099(2)	"EMPIRE HARLEQUIN".

The "ST. AGNES" has been assigned a class of "B100A-, Steam Trawler" and the "EMPIRE PIERROT" and "EMPIRE HARLEQUIN" have each been assigned a class of "B100AL, For Towing Services" and the appropriate notations recommended by the Surveyors will also be recorded in each instance.

I am, Dear Sir,  
Yours faithfully,

pro Secretary.

The Secretary,  
GLASGOW.
