1st April, 1924.

Dear Sirs,

I am in receipt of your letter of the 28th ultimo respecting the steam trawler "KODAMA", and have placed the same before the Committee at their Meeting to-day. The Committee note this vessel is expected to return from the fishing grounds within the next fortnight when she will probably be sold, but that should the sale not take place the Owners undertake to have the Special Survey No.3 and Boiler Survey carried out on the trawler's next return after Easter. In the circumstances the Committee have deferred consideration of the same for the present. I shall be glad, however, if you will advise me immediately you receive any further information about the matter.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

CARDIFF.
