# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

15th January, 1915.

Dear Sir,

I have to confirm the following cables which have passed between us regarding the S.S. "INTERNATIONAL":-

RECEIVED. "When may I expect certificate of  
"classification INTERNATIONAL".

SENT. "INTERNATIONAL have cabled Mancor  
"communicate with him."

As intimated in my classing letter of the 31st December the classification of this vessel has not yet been completed on account of questions which have arisen regarding the spare gear for the engines and the method of securing the propeller to the screw shaft.

It was understood from Mr. Mancor some time back that the matter had already been taken up by him, and I hope that the outstanding questions will shortly be adjusted so that the certificates may be issued as desired.

I am, Dear Sir,  
Yours faithfully,

Evan Edwards Esq.,  
CLEVELAND, OHIO.

Secretary
