N. V. KIRKLEY,
SURVEYOR.

H.

Dear Sir,

I am in receipt of your letter dated the 12th inst, together with copies of letters exchanged between you and the Bilbao Surveyors, regarding the machinery of the vessel "ALOS NO. 1". I may add that when this vessel came to Cadiz, I had no information as to what was required to complete the special survey for classification of the machinery, I however wired to Bilbao for instructions, but as Mr Bareno, was not there, the necessary information did not reach this port until the vessel was afloat and being loaded, nothing was therefore done with

regard to the machinery,
I have arranged with
the Owner's to advise me when
the vessel returns from her
voyage (which will not be
until May or June,) so that
the necessary information can
be obtained —

I am, Dear Sir
yours faithfully
Norman Warkley
