Dear Sirs,

S. I am in receipt of your letter of the 31st ultimo, with regard to the particulars required of the Motors in the 3 mst. Schooners Nos. 9 and 10, recently built by the Astilleros de Pasages, and in reply have to say that it is much to be regretted that the vessels have been put into service without your being in a position to supply the information which is requisite to enable the cases to be submitted to the Committee.

In the circumstances, action with regard to your Report No. 5207 on the Schooner "ALOSNO" is deferred.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
BILBAO.
