27th August, 1918.

Dear Sirs,

I have to confirm my telegram of today as below requesting you to reply immediately to my letters of the 5th and 6th instant respecting the Motors fitted in the vessels Nos. 9 & 10 building by Messrs. Astilleros de Pasajes, and to forward a report on Form No. 4 of the particulars of the Motors of the No. 9 vessel and also a plan of the Oil Fuel tanks and sterntube, viz:-

"Astilleros Pasajes nine and ten reply immediately letters fifth and sixth June and forward desired particulars motors etc."

I have at the same time to request that you will explain the serious delay which has occurred in forwarding the information asked for, as even if you had no copies of Report Form No. 4 as stated in your letter of the 23th June, this was no reason for your not forwarding the plans asked for and also the particulars of the Motors etc.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
BILBAO.

Assistant to the Secretary.
