25th March, 1947.

S

Dear Sirs,

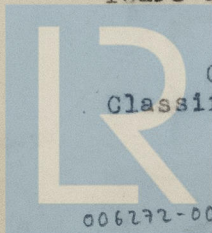

I duly received your letter of the 3rd instant intimating that the Owners of the steam trawler "FILEY" have informed you that they wish to withdraw this vessel from class.

It is presumed that you informed them that there was not a great amount outstanding for full reclassification, but I shall be glad if you will confirm this and endeavour to obtain from them a letter conveying their decision for submission to the Committee.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
ABERDEEN.
