Ally

The class of this vessel is subject to some indented plating and damage through collision being repaired at the first opportunity, but in a letter, dated 4th instant, the Owners state that they have decided to withdraw this steamer from the Society's classification.

The case received the consideration of the Classing Committee on Tuesday, 11th instant, when it was decided to give instructions for the class to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

W. M.

13th October. 1921.
