Dear Sirs, "EMPIRE CONVOY".

With reference to the assignment of Load Lines to the above-named vessel under the provisions of the Merchant Shipping (Safety and Load Line Conventions) Act, 1932, I think it well to remind you that the Annual Survey prescribed therein will become due on the 25th July next, and I shall be glad if you will kindly state what arrangements will best suit your convenience to comply with this requirement, in order that the necessary steps may be taken for the survey to be held, and thus avoid the vessel being delayed.

I am, Dear Sirs,

Yours faithfully,

P.S. I think it well to add that the validity in respect of the present notation of "Examined L.R." expires at the end of August next, and it is thought that you may desire to submit the vessel to the inspection of the Society's Surveyors, concurrently with the Annual Load Line Survey with a view to the assignment of a further notation of "Examined L.R." with date, in the Register Book.

Yours faithfully,
J. M. Bass Esq.
