

COPY for WOKINGHAM.

Enclosures.

21st July, 1945.

Dear Sir,

We enclose herewith our Freeboard Assignment Report Fbd.2358 on the ex German Steamer "LEVENSAU", now named "EMPIRE CONVOY", completed as far as possible.

For your guidance we are forwarding a General Arrangement plan, which we shall be glad if you will be good enough to return to us with the Freeboard Assignment, as it is the only plan available and is to be placed on board for the use of the ship's personnel.

The vessel has been generally examined in dry dock and it is recommended that the period of validity for the Load Line Certificate be **four** years.

A. W. Atkinson, Esq. of Goole is the Managing Owner, but it is understood that she is to be operated by Messrs. Ellerman's Wilson Line, Ltd. and as the vessel is expected to be placed in service at the end of next week, kindly forward the certificate and copy with the Assignment letter.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

The Secretary,
LONDON.

Per:-

F. J. Palmer
