Boulogne 7th March, 1923.

We thank you for your letter of the 6th March
respecting the Steamers "DEPUTE RENE REILLE" and "DEPUTE ABEL
FERRY".

We have to add that the "DEPUTE ABEL FERRY"
left Havre on Saturday at noon. With regard to the "DEPUTE
RENE REILLE", she is at present undergoing at that port
alterations and repairs and we hope that she may be able to
leave in about 12 day's time.

Yours etc.
