-----
This trawler became due for Boiler Survey in
November last, but the Cape Town Surveyor states he is informed
by the Owners that as the vessel comes under the local Harbour
supervision, it is not desired to maintain her classification in
the Society's Register Book.

In the circumstances the Classing Committee, who
had the case before them on Tuesday, 29th instant, decided to give
instructions for the vessel's character to be withdrawn from the
Register Book and three dots (...) inserted in lieu thereof,
indicating withdrawal of class at Owners' request.

31st July, 1924.
