

Received 21 JULY 1924.

Answered 31

Extract from letter dated 4th July 1924 received from

the Society's Surveyor at Cape Town

Original letter with Stationery Dept

Vessel's Name "JAMES PITCHERS"

Re yours of the 23rd May I have several times enquired about this vessel.

I am informed that the vessel comes under the local Harbour supervision, and that Messrs Irvin and Johnson are content.

The vessel must now be unclassified.
