

Steel S. S. "GOLDENFELS" No. 59207 in Register Book,
7438 tons gross, built at Newcastle by Messrs. Swan,
Hunter, & Wigham Richardson in 1911, and classed
originally 100A1.

It is submitted provided the requirements
of the S.S. No. 2 be complied with and the vessel be
favourably reported upon by the Society's Surveyors, she can
then be recommended to the Committee for reclassification.
