

S. TRAWLER, "JONATHAN HARDY"

J. Fullerton & Co.	Hull	No. 259	L.R.	Supervision.
Fleming & Ferguson	Engs.	No. 449	B.C.	"
do.	Blrs.	No. 449	B.C.	"

The Hull of this vessel has been built by Messrs. J. Fullerton & Co., under the survey of the Society's Surveyors for classification with this Society.

The engines and boiler made by Messrs. Fleming and Ferguson have been constructed under B.C. Supervision. The installation of the machinery on board has been carried out under the supervision of the British Corporation Surveyors, and the certificate issued by that Society is attached hereto.

As it is provided in the Committee's circular letter dated the 16th March, 1918 that, in such cases, this Society will issue the Machinery Certificate with the notation LMC with date in red, it is submitted that this vessel is now eligible for the record of LMC 11.18.

JUR.
21.11.18.
