A Notice in regard to the Boiler Survey was addressed to the Owners from this Office on the 18th October 1920 to which no reply was received. In the circumstances the Committee, who had the case before them on the 25th February last, gave instructions for the Owners to be again communicated. ^{with} A letter was therefore addressed to the Owners and sent to them through the Society's Surveyors at Kobe.

On the 6th July the following letter, dated 31st May, was received from the Kobe Surveyors:-

"I have to state that no reply has yet come to hand from the Owners in reply to my letters of the 23rd April and 21st May. Further enquiries will now be made".

No further information in regard to the case has been received at this Office.
