Dear Sir,

In reply to your letters of the 12th. ultimo and 8th. instant respecting the steam trawler "ANNIBAL", we beg to inform you that we have at length been able to get into communication with Mr. Gufflet, who has been absent from La Rochelle for a considerable time. He informed us that he had bought the "ANNIBAL" to replace his trawler "VENUS II", which was sunk during the war, and that he had then sold the vessel to Mr. Victor Bousquet, La Rochelle.

The latter gentleman now informs us that he has decided to class the vessel with the Bureau Veritas and that he does not propose to retain the classification in Lloyd's Register.

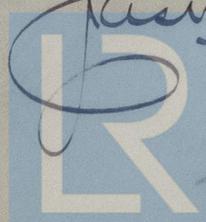

The name of the vessel has been changed to "NEPTUNE I" and the port of Registry is La Rochelle.

We are, Dear Sir,

Yours faithfully,
