Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

21st April, 1921.

Dear Sir,

I am in receipt of your letter of the 18th instant enclosing a further reply you have received from the Ministre de la Marine regarding the steamers "ANNIBAL" and "HEROS".

The cases of these vessels were again brought under the notice of the General Committee of the Society to-day, and I have the pleasure to say that in view of the promise now made by the Ministre de la Marine that intending buyers of the trawlers will be informed before the sale of the conditions under which their classes are retained, the Committee have agreed to the characters of the vessels remaining undisturbed for the present.

Perhaps you will be good enough to inform the Ministry accordingly, and thanking you for your attention in the matter,

I am, Dear Sir,
Yours faithfully,

E.L.M. Poincet, Esq.,
PARIS.

Secretary.
