ENCLOSURES.

7th July, 1920.

Dear Sir,

I enclose for your information copies of letters which have been received at this Office from the Society's Surveyors at Bordeaux in regard to the overdue surveys, as under, of the steam trawlers "ANNIBAL" and "HEROS", and may say that the cases of these vessels have received the consideration of the Committee and that in the circumstances they have deferred consideration of the same for the present.

The Committee consider, however, intending purchasers of the vessels should be informed that they retain their classification in the Register Book subject to the overdue surveys being held without delay, and the Committee will be glad if you will inform the Minister of Marine accordingly and ask him kindly to give the necessary instructions for this to be done.

I shall also be glad if you will arrange for this Office to be informed of the name and address of the purchasers as soon as the vessels have been sold.

I am, Dear Sir,
Yours faithfully,

Met, Esq.,

Secretary.

"ANNIBAL": B.S.due 4,19.
