Sir,

Your letter of 30th July to hand to-day.

The steam trawler " Scomber " together with the sister steamer " Isaac Max " is now or has been the property of the french Gouvernement.

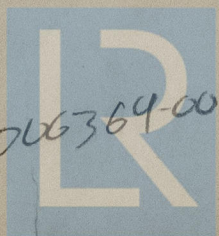

When in the vicinity of San Juan de Luz, I was forced to enter that named port, the two boats were seized by the Commander of that port.

If you will write to Mr Oscar Dahl, Pêcheries de l'Atlantique, I think he will be able to give you more particulars.

Yours faithfully,
