The Special Survey No.1 of this vessel became due in May last, but the Yokohama Surveyors now state that they have been informed by the Owners that it has been decided to transfer this steamer to the classification of the Kaiji Kyokai and British Corporation Societies.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 27th instant, decided to give instructions for the class to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
