Esq. Bradley,

In reply to your letter of yesterday I am pleased to state
we have got the S.S. "Dunleith" into Dry Dock this morning.
We understand that the damage has already been surveyed at
seen & presume you will have a copy of the Report, but as it is
our intention to carry out all the Work recommended in that
Report we propose doing all that we consider necessary and afterwards
have you here to inspect & if then found to your satisfaction to
renew her class.

Yours Faithfully,

Wm. Thomas Jones
