Ship Surveyor

Received from Chief Ship Surveyor

NAME Steel & Dunleith Rpt. Abn No. 12545

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

DAMAGE.

Survey

The class of this vessel is subject to the equipment of chain cables being placed in order and damaged keel & bottom plating being dealt with at the Owners convenience -
This vessel is reported by the Aberdeen Surveyors

to have sustained damage through stranding.

Temporary repairs have been effected to his satisfaction to enable the vessel to proceed ^{in tow} ~~on her voyage~~ to Ambuch where it is proposed to effect the necessary permanent repairs.

It is submitted the Liverpool Surveyors should be requested to give the case the necessary attention on the vessel's arrival at their port, and in the meantime, the class might be allowed to remain undisturbed.
