s.s. "EMPIRE LIDDELL"

The cost of the cables referred to in the attached letter resulted from an unsuccessful attempt to arrange for a Lloyd's Agent Surveyor at Lagos to undertake a Freeboard Survey on this vessel for the issue of a certificate to get her to Freetown.

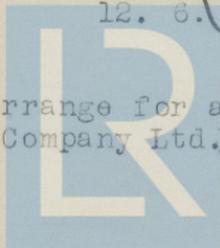

The Surveyor, however, declined to issue such certificate and finally Mr. Ross Innes was requested to fly to Lagos to undertake the work.

In the special circumstances the costs are not recoverable.
