San Sebastian 21st October 1921.

Dear Sirs,

We are in receipt of your favour of the 12th instant, addressed to our partner Don Santos Eraso, communicating the resolution of your committee relative to our steamer "ERNIO", cancelling its clasification in the Register of your Society, a resolution which we consider as unfair, because the same steamer has been inspected twice by the inspectors of your Society in the months of November and March last and we paid for such inspections pesetas 784; we had understood, therefore, that our steamer was not to be submitted to further surveys in order to maintain its class in your register, but if this is not the case, we shall agree to all that you state in your said letter.

Yours faithfully,

SOCIEDAD DEL VAPOR "ERNIO"

(signed) Arturo Embel).
