Dear Sir,

We beg to acknowledge receipt of your classing letter of the 23rd August and your telegrams of the 20th and 26th ult., respecting the completion of the Special Survey N°2 of the steam-trawler "ERNIO".

We wrote to the Owner on the 21st ult., and also wired but can receive no reply from him.

From the conversation I had with this gentleman, the last time I visited Pasajes he did not appear to care to go to any expenses on this vessel.

In these circumstances we would suggest that this vessels class be withdrawn from the Register Book.

We enclose herewith the copy of the letter sent to the Owner and a copy of the telegram, to which we can receive no reply.

We are, Dear Sir

Yours faithfully,

M. Engldow
