Re. Steam-trawler "ERNIO"

Dear Sir,

With reference to the clasification of your steamtrawler "ERNIO" in this Society's Register Book, and to the Special Survey N°2 which is not yet completed, and to our letter of the 11th July, to which we have received no reply, we beg to advise you that we are in receipt of a telegram from our Committee in London desiring to know definitively whether you propose completing this survey or not.

We would be pleased to receive a reply by return mail, and in case of not receiving a reply in the course of a few days we will assume the opinion that you do not propose to complete this survey, and will have no other course than that of writing to London and recommend our Committee to withdraw the trawler from Lloyd's class.

Awaiting your earliest reply, we are, Dear Sir,

Yours faithfully,

(Signed) W.B. ENGLENDOW
