The Special Survey No.1 became due in  
July last, but the Owners now state that as the vessel is  
now classed with the Bureau Veritas they do not desire to  
maintain the classification with this Society.

In the circumstances the Classing Committee,  
who had the case before them on Friday, 7th instant, decided  
to give instructions for the vessel's class to be withdrawn  
from the Register Book and three dots (...) inserted in lieu  
thereof, indicating withdrawal of class at Owners' request.
