Enclosure.

21st April, 1922.

Dear Mr. Herbert,

With reference to your letter of the 7th instant, respecting the case of the steamer "ADOLPHE URBAN", I brought the matter under the notice of the Committee, who took a rather more serious view of the position, in view of the year of grace having been so much exceeded, and we are accordingly writing to the Owner to-day that as the survey has not yet been completed the vessel's class will be expunged with a red line. I enclose a copy of our letter.

No doubt the Owner will at once come to you to ask what is to be done, and perhaps that will enable you to get the full survey completed and the vessel reclassified.

With kindest regards,

Yours faithfully,

G.O. Herbert, Esq.,

ANTWERP.
