

Chief Ship Surveyor 22/7/12

Received from Chief Ship Surveyor \_\_\_\_\_

NAME At St No 507

Rpt. Abn No. 10908

Notes of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

vey First entry

It is submitted the Hull Surveyors be informed that the vessel is to proceed to their port where her machinery is to be fitted, and that complete the survey on the Hull, the casings require to be riveted up, pillars to be <sup>fitted</sup> ~~forwarded~~ in the engine space & the tunnel to be tested. They should be requested to give the case the necessary attention on the vessel's arrival, and on completion of the work, forward a report on form 8 with a view to the classification of the vessel.
