F. Dear Sir,

With reference to your letter of the 24th December last, with enclosures, respecting the dredgers "ANDROMÈDE N°I"; "ANDROMÈDE N°II" and the tug "CASSIOPEE", we beg to acquaint you that we have twice visited these vessels by appointment since their arrival at Toulon in order to verify the freeboard markings but on each occasion we found that facilities had not been arranged for this work to be carried out. Another appointment has been made for next week on a day when the vessels will be laid up and we trust that it will be possible to forward the verification of marking forms without further delay.

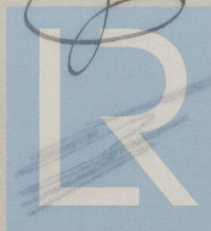

We are, Dear Sir,

Yours faithfully.
