29th November, 1935.

Dear Sir,

I am in receipt of your letter of the 23rd instant enclosing a translation of one received from Messrs. Barry-Rogiano-Salles respecting the proposed service of the ships "CENTAURE", "JAMES NO.64", "JAMES NO.65" and "ERNI", and their remarks have been very carefully noted.

As regards the "ERNI", this vessel is at present classed ~~LOCAL~~ for Harbour Services, and it is concluded her proposed service will be covered by this classification, but I shall be glad if you will confer with the Owners and confirm this, in which case they should be informed that there will be no alteration in the freeboard at present assigned. I may say that no alteration is being made in the freeboards of the

other three vessels.

Freeboard Certificates will be issued to the vessels on arrival in France for their service, as the certificates issued at Southampton are for the voyage to Toulon only on a reduced draught.

I am, Dear Sir,

Yours faithfully,

Assistant Secretary.
