LLOYD'S REGISTER OF SHIPPING,

ENCLOSURE.

PARIS, 13th November, 1935.

Dear Sir,

I beg to forward herewith a translation of a letter received from Messrs. Barry-Rogliano-Salles, Sworn Shipbrokers of this City, respecting the sale to the French Firm "Ossude" of the following ships:

Bucket Dredger "FOREMOST III" No. 00p40 in the Society's Register Book.

Steam Hopper Barge "JAMES NO.64" and "JAMES NO.65",
No.10078 & 10079

Steamer "ERNI" No.08907 in the Society's Register Book.

and in which they desire that these ships be authorized to proceed, under French Flag, to a French Port, and be provided with the International Freeboard Certificate.

The French port referred to in the Brokers' letter is Toulon (Marseilles district), but the ships will perhaps stay a certain time at Marseilles before proceeding to Toulon.

I am, Dear Sir,

Yours faithfully,

(sgd) J. TAXIL
