11th September, 1913.

Dear Sirs,

With reference to your letter of the 4th instant relative to the Hopper Barges "ROCKSAND" and "SANDBANK", recently built at Dordrecht for your goodselves, I have to acquaint you that I have been in communication with the Society's Surveyors at Hull in regard to the matter to which you refer.

The Surveyors state however that as they were not advised by your Agents that it was desired to have the Barges examined no surveys were held on either of the vessels.

I am communicating with the Society's Surveyors at Rotterdam under whose inspection the vessels were built.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Messrs. Frank Bevis, Ltd.,
PORTSMOUTH.
