Enclosure.

5th August 1913.

Gentlemen,

I have to inform you that a first entry report has been received from the Society's Surveyors at Rotterdam on the steel hopper barge "F. B. II", from which it appears that this vessel is being towed to Portsmouth where it is stated that her equipment of anchors, chains, etc., will be placed on board.

Particulars of the equipment are sent herewith, and I shall be glad if you will give the case the necessary attention, and on completion of the equipment forward a report on Form 8 for the information of the Committee with a view to the classification of the vessel.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,  
SOUTHAMPTON.

Secretary.
