

Chief Ship Surveyor 5. 8. 13.

Received from Chief Ship Surveyor \_\_\_\_\_

NAME Itl A B " J. B. II

Rpt. Rol No. 8673

Records of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

vey First Entry

It is submitted the Southampton Surveyors be informed that this vessel is being towed to Portsmouth where it is stated that her equipment of anchors, chains, etc. will be placed on board.

An extract from the approved midship section giving the particulars of the anchors, chains, hawsers and warps should be furnished to the Surveyors for their information, who should at the same time be requested on completion of the equipment to furnish a report on Form 8 with a view to the classification of the vessel.
