TS (n) 3,19

-----  
The Boiler Survey of this vessel became due in March last, but the Owners state they do not desire to maintain her class in the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Friday, 1st instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
