Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

Imperial Kingdon

13th February, 1917.

Dear Sir,

S. With reference to your First Entry Report No. 14 on the new steamer "IOCOLITE", I have to confirm my cablegram of to-day as follows:-

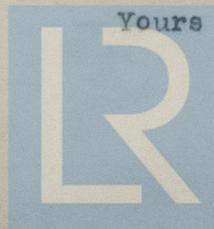

"IOCOLITE CABLE WHETHER FEES PAID LLOYDS REGISTER."

With regard to this case, I have to point out that as your returns for the month of December have not yet been received, it is not possible to know whether the fees have been received by you, and I have accordingly to impress upon you the necessity of keeping your returns up to date, and in the case of the First Entry Reports on new vessels, you should make a special point of **advising** this office when payment of fees has been received, with a view to the particulars of the classification of the vessel being promptly inserted in the Society's Register Book and its supplements.

I am, Dear Sir,

Yours faithfully,

T.B.F. Benson, Esq.,
TORONTO.
