*Extract from letter dated January 19th 1917 received from the*  
*Society's Surveyors at Toronto.*

*Original letter with* "ROYALITE"

*Vessel's Name* "IOCOLITE".

"IOCOLITE" 14. The inner surface of the bottom plating, frames, floors and under surface of the tank top in way of the double bottom under engine and boiler space in this vessel was protected by coating with cement wash.
