Dear Sir

low

I have to acknowledge the receipt of your letter dated 24<sup>th</sup> March last regarding the steamer "Para", & beg to confirm my cablegram despatched to you today, viz: PARA WIHUM = "Para". Owners do not wish class retained. This vessel was not despatched to the U.K. as arranged, & has now been placed on the stat service again, without any further repairs being effected.

The Owners, on being advised of the expiration of the limit placed on the main beam, after considerable delay, have now replied that they have no further interest, retaining this vessel classed in the Register Book.

I am, Dear Sir,

Yours faithfully,  
J. C. G. Williamson.
