OWNERS: Robin Line Steam Ship Company, Incorporated
(Skinner & Eddy Corporation, Managers)

In a letter, dated 2nd ultimo, the Owners' Agents state that they have received from the Owners that it is not intended to maintain the classification of these two steamers in the Society's Register Book.

The cases received the consideration of the American Committee on the 13th ultimo, when it was decided to withdraw the class of each vessel from the Register Book and to insert three dots (...) in lieu thereof, indicating withdrawal of class at Owners' request.

6th October, 1921.
