reference

Sir,

With reference to your letter of the 14th October in regard to the fees for the survey of the machinery of the T.S.M.V. "ATAGO MARU", I shall feel obliged if you will kindly advise me in due course what portion of the fees is to be credited to this office. You will observe that the total fees charged for the survey of the machinery, auxiliary engines and air receivers are £175: 13/- and as the tunnel and propeller shafts for this machinery were made in this district, it is suggested that a suitable amount to be credited to this office would be £40.

I am, Sir,

Your obedient servant,

*P. H. Warlow*

Secretary to the  
Glasgow Committee.

The Secretary,

LONDON.
