Received from Chief Ship Surveyor.....

VESSEL'S NAME..... BRISBANE MARU Rpt..... P. N1 No..... 3405

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(“The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.”—*Extract from Sub-Committee's Report, 24/5/92.*)

The PORT NATAL Acting Surveyor reports this vessel examined afloat and by a diver after a tug striking rudder.

No damage found, but the Surveyor recommends the rudder be further examined at the first opportunity.

It is submitted the vessel appears worthy to remain as classed without record of survey, subject as recommended.

As Now, Subject, etc.
