Imperial House,

Donegall Square East,

Belfast, 3rd December 1941

Reference  
S

The Secretary,

WORKINGHAM.

Dear Sir,

In reply to the query in the Classing letter dated 28th November 1941, the information regarding Belfast Report No. 12784 - M.V. "ARAYBANK" - is as follows:

S.E. Multitubular Boiler

Certificate No. 1079  
Date of Test 18.4.40.

Vertical waste heat boiler

Certificate No. 1089  
Date of Test 25.6.40.

It is regretted that these particulars were inadvertently omitted from the Report in question.

We are, Dear Sir,

Yours faithfully,

The Surveyors.

may be inserted. It is concluded hatch covers are fitted  
decks below the weather decks, but this should be confirmed.
